Performance Information

December/Christmas In-Class Performance: During the last week of classes before Christmas Break (week of December 16th) we will have an in-class performance for family. Please only 2 family members as space is limited. After watching the class the children will do a small Christmas performance.

End of Year Performance: This performance will take place at another venue. After several months of preparation, the children will be able to show you the progress they've made during their months of hard work. We encourage you to invite as many friends and family members as possible. It will be free of charge. Date and place TBD.
